

P.S. I was delighted with Allport's papers.

CUS417/113.86

Oxford, 29th June 1912

(AC. Klebs) According to Lowndes the first edition of Hudibras was in three parts - 1663, 1664 & 1678... I should very much like to have the Servetus items except the one I have crossed out.

A friend has made an offer for the Pagel library of M.8000. which I hope they may accept, I have not heard yet...
