(Typewritten)

(Dr. W. S. Thayer)

From the Regius Professor of Medicine, Oxford.

3rd August, 1912.

Dear W. S.

Thanks for the paper. I am not surprised that you could not accept.

We go north Monday night and should reach Tongue some time late Tuesday afternoon. If you are making the circuit of this island, do drop in on the way; it would be delightful to see you. Love to Sister Susan.

Ever yours,

Wm. Osler.
