5th August, 1912.

Dear Meyer,

I have had a talk with Mr. Phipps about the opening of the new pshcopathic clinic, and he agrees with you that it would be best to defer it until the clinic is in running order.

I have had to postpone my Yale lectures, so that I can come out in the spring very well, and the date you mention - the second half of April - would suit me admirably.

Sincerely yours,

WM. OSLER
