(To Mr. Henry Phipps)

From the Regius Professor of Medicine, Oxford.

7th Sept., 1912.

Dear Mr. Phipps,

I am so glad to have the date of your sailing, for I will be able to run up to town and have a chat with you before you leave.

We have had a delightful visit in Scotland, and Revere had some very good fishing.

The Reports of the Rome Tuberculosis Congress are not out yet.

Sincerely yours,

Wm. Osler.
