

C O P Y. (Dr. Jesse Myer)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

10th Sept., 1912.

Dear Myer;

Many thanks for yours of the 18th August. I felt that the introduction was rather brief, but perhaps it is none the worse for that. I shall be very interested to see the book. I hope the family are still in the same mind - to put all the Beaumont documents into the Surgeon General's Library, where they would be permanently secure. My love to Dr. Dock, when you see him.

Sincerely yours,

WM. OSLER.
