O. S. 70.

From the Regius Professor of Medicine, Oxford.

30th Sept. 1912.

*Osler*  
Dear Dr. MacMurchy,

That is a splendid talk of yours on "The Baby".  
But think what must have happened to the children shown  
in that picture a week afterwards! Don't you suppose  
they all took the snuffles, each from the other?  
I have sent on the pamphlet to our Baby farmer.

Sincerely yours,

Wm. Osler

I am not coming out until the Spring.
