(Typewriting)

(To Dr. T. R. Boggs, Baltimore)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

15th October, 1912.

Dear T.R.

The Bence Jones work would be first rate, though I am afraid the bibliography would be rather time consuming. I will look up Chivers in the Bodleian and in the British Museum, and will let you know. It would be very interesting to work him up. Do let me have something for my section next year.

Sincerely yours,

W^m Osler
