Dear W. S.

I am so glad the memorial to Johnnie is going on well. Where is it to be placed? We have his last photograph framed - splendid! The one of him in 1892 in the picture I have just received on the Nuttall menu is excellent also.

We have just had a most enchanting letter from Adam announcing his engagement. I am very glad you are to be put onto a bas-relief. I am sure it will be good. I shall give you plenty of notice of the date of my visit in the spring.

Love to Sister Susan,

Sincerely yours,

13, Norham Gardens.

W. O.
