1st November 1912

Dear Sudhoff

I will send word to Little about Professor Wiedemann. Let me know later on any other names of students of Bacon in Germany, as we should like to invite as many as possible to the celebration in 1914.

I was very sorry not to be able to go to Leipzig this year but there have been so many things on hand here that I have not been able to get away.

With kind regards,

Sincerely yours,

Osler
