

(Letter to Adam H. Wright, M.D.)  
(typewritten)

30th October, 1912

From the Regius Professor of Medicine, Oxford.

Dear Wright,

Watson, with whom I had an interview before he sailed, is a very likely colt and should do well. He has had excellent training, and it looks as if there could be no mistake. I told him to keep his mouth shut, and to avoid the company of Adam Wright and O'Reilly and other more disreputable members of the Profession!

Sincerely yours,

WM OSLER
