

CUS417/114, 1216

(Dr. Brooks)

13, Norham Gardens, Oxford.

10th (1912?)

Dear Dr. Brooke:

Your wise plan would be to see Dr. Cushing I did not know there was any suspicion of Pituitary Disease - No man in the world has had his experience Take his opinion - & then stop!

Yours &c

W^m Osler.
