(handwriting)

31st (Dec. '12)

13, NORHAM GARDENS,
OXFORD.

Dear Ned

Thanks for the Rabbi Ben Ezra - a favorite poem of mine, the best of Brownings, I think, I hope you have had a good Xmas. We had a house full - a daughter of E.B. & her three, H.S. Osler & his son from Toronto & a sister-in-law & two nieces from Boston. My boy was 17 last week - growing a big fellow, not much at his books but a very good sort. Thank the lassie for her photograph. very good. She must keep the house lively
I hope to be out in April & should be able to stop over at Belleville on my way from Totonto some time in May
Love to you all

Ever yours

WM OSLER
