

(Typewritten)

From the Regius Professor of Medicine, Oxford.

(Dr. W. S. Thayer)

CUS 417/115.8

8th January, 1913.

Dear W. S.

The medallion, which came today, is excellent. The pose is splendid. I think it has made your face a little too fat, but you may gradually grow up to that!

Love to you all.

Sincerely yours,

Wm. Osler.

13. Norham Gardens.
