

2547-530

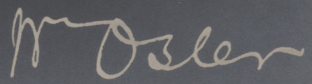

*From the Regius Professor of Medicine, Oxford.*

8th Feb. 1913.

Dear Fisher,

I enclose my subscription and also a reprint of the article. I am so glad you got that Celsus, which is a perfect gem, though Quaritch stuck us very heavily for it. You are a jewel to have got me the Stockton-Hough book. I do not know of a copy in this country.

Sincerely yours,

13, Norham Gardens.
