

To Sir John MacAlister.

From the Regius Professor of Medicine,
Oxford.

11th Feb. 1913.

Dear MacAlister,

Have we an extra set of Kuhn's Galen, and have we Orisabius (6 Vols.)? If so, do you suppose I could borrow them for a few months for Dr. Withington, St. Mary Church, Torquay, who is helping us at the Press with a new edition of Liddle and Scott's Greek Dictionary? They are not books often called for, and any urgent and ardent student could be referred to the College of Surgeons, or College of Physicians.

Sincerely yours,

Wm. Osler.
