(To Prof. A. B. Macallum)

Dear Mac

13, Norham Gardens, Oxford.
26th *Mar?* (1913)

I will look up your son at the Lister where I am sure he will be very happy. I shall miss you in Toronto in May. I sail April 3rd, & shall be very busy on a lecture tour, J.H.H., Yale, Harvard, & N.Y. & Phila. I return about May 20th so that I shall see you in London. I will ask to have you put up at the Athenaeum as it would be a convenience I am sure.

Best wishes to the new Society wh. I am sure will be a great success. The new Bulletin is A.1.

That was a bit of low down med. politics at the Academy. I have written to some of the men stating my views very plainly

Yours sincerely

W^m Osler
