13, Norham Gardens, Oxford.

March 28th, 1913.

Dear Hadley:

I am sailing next week & shall go to Baltimore for a couple of days to the opening of the new Phipps Institute, as Mr. H. Phipps is one of my oldest friends. I shall be in New Haven Saturday eve, 19th. My address in Baltimore will be 23 W. Franklin St. I suppose the late afternoon or eve. would be most convenient for my lectures - any hour will suit me.

I am looking forward with such pleasure to my visit.

Sincerely yours,

W^m Osler.

Mr. Hadley
