Robt Brewster

Dear Kate

Just crazy to see you & the darlings! Yes I could not stay with any one else in Boston - so expect me on the Tuesday from New Haven. The 30th would do splendidly for a dinner - only I would rather eat peacefully with you & the children

Such a good passage - but we stuck 24 hrs outside the harbor in a fog! Am here with Mabel who is furious that I should be having two specials from you! Love to Harvey & the darlings

Yours affectionately

WM OSLER
