Dear Kate

I have been much uplifted since seeing you & Harvey² (again) - (I was preaching last night - hence the phrase!) Will you ask Mr. & Mrs. Ivan (I have forgotten surname will send Post card) of Newburyport to that little dinner. They will not come as she has just had an operation for appendicitis. She is a distant cousin. The Spooners (Mrs. & May) are cousins of Grace & sisters of Mrs. Fay & old friends. I do not know whether they are in B. now but I think so.

What a time we shall have. I am dying to see the children.

Yours affectionately

WM OSLER

P.S. It was a weak moment when you asked for my Boston friends.
