

(Sir Henry Burdett)

CUS 417 / 115. 125

From the Regius Professor of Medicine, Oxford  
30th June, 1913.

Dear Burdett,

I returned you the copy of my remarks last night. Send me a proof, please; I will return it at once. It is an interesting group of men. The Association will do a great deal of good.

Sincerely yours,  
W<sup>m</sup> Osler
