After the Congress wind over to Colony Hotel Lochinvar

Jacil McCue H.C.C. - over 4000. ~~than often~~

From Lochinvar to Inverness - down the coast to Ballachulish - the Peak of Glencoe into the Glen Uis and close by on the left is Mount Royal (Said Strathcra) the most famous view from anywhere hence. Inspiring solemnity of Glencoe - the Glen growing in Gaelic (cf. his cryptic in Macaulay's West of England)

Jan Macdonald Chief of Glencoe lived into a bus and - at Macaulay's story of the massacre of the Macdonalds. The first of September to Glencoe, first Strathcra learns that Haldane then Sec. of State. Haldane was going to overrule section of July but he wrote to be sure to receive him decided on no notice to accompany him and as for the accommodations started at the "Susanna" spend 3 sweltering days in overture ordered much but not in time to greet his friends.

Strathcra was there - only 3. one Mrs. Howie & her fine to Canada. James & the children - Revue fished - some since guests' interest in Parson's oil fields - came & was satisfied re.

The rest of the small group - one of the times Lady O says were their respective moments, small on the world and more than 2-3 days of opportunity.

Seeing James & James, some to turn &

In his day book on Monday 24th is the note under the name of Lord Julest.

"Curious coincidence these people knew each other well in Winnipeg: both came over to see me on purpose and met on my doorstep 4000 miles away."

9.10.
Only personal moments - say in September after hour for James before dinner. when people away.
