

CUS417/116.31

13, Sept. 1913.

Dear Francois Xavier,

[Dercum]
of Phila

That is an A1 book of yours, which should take well with both students and doctors. How the deuce you ever managed to get so much good stuff in 400 pages is a mystery.

With greetings and best regards and many thanks,
Sincerely Yours,

(wigned) Wm. Osler.
