

(Typewritten)

(To Prof. A. B. Macallum)

CUS417/116.62

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

21st Nov., 1913.

Dear Macallum:

Many thanks for your interesting papers. I hope your general surface tension is normal. One's outlook on life depends entirely upon it!

That is a nice boy of yours here with Perkin and he is doing well. Ramsay Wright is very happy.

Sincerely yours,

W^m Osler
