(A. E. Klebs)

.....Where in the deuce is Anamnose? Several people have asked who have read my Servetus Lecture. Did I ever thank you for your recent paper. It is A.1. The illustrations come out beautifully. "I had a great gift the other day from Persia of a beautiful canon of Avicenna, 1190, and a new photograph of his tomb which needs repairing. I have sent for estimates preparatory to passing round the hat"....
