(To Surg. Gen. Gorgas)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

13th Jan., 1914.

Dear Gorgas:

Many thanks! Let me have a cable the day you sail. May I suggest to the President of the Royal Society of Medicine that you will give us a lecture dealing with the Panama work? And, in addition if you like, one of the sections would be delighted to have you speak on your South African experience - or could Darling give us something?

Greetings to your colleagues.

Sincerely yours,
