

From the Regius Professor of Medicine, Oxford.

17, Feb. 1914.

Dear Garrison,

That is a gem of an acorn. I am delighted to have it, and it shall be carefully bound with its yellow cover and put beside Volume 1 of the 1st series.

Many thanks for the corrections which I will make. I hear very laudatory comments on the book, which is really A.I.

Sincerely yours,

Wm. Osler
