

From the Regius Professor of Medicine, To Sir John MacAlister,
Oxford.

25 March, 1914.

Letter (Typewritten)

Dear MacAlister,

Have you any blue prints of the Periodical Stand at the Royal Society of Medicine? If so, could you send a copy, or loan it, to my friend, Prof. George Dock, 1806 Locus Street, St. Louis. He will gladly bear any cost.

Sincerely yours,

Wm. Osler.
