Dear W. S.

Thanks for yours of the 10th. Every one will be sorry that you cannot accept, but I can readily understand your position. I doubt very much if Janeway can be dislocated. I suppose you & B. will remain as Profs of Clin-Medicine Of the younger men it will be hard to pick between ~~Hambert~~, Boggs & Longcope. Love to Sister Susan. We were so sorry to hear of the death of her old friend. All well. Revere in Scotland fishing.

Yours ever
