

Oxford, 27 April, 1914.

Dear H.B.

So glad to hear that you have arrived safely. I hope Mrs. Jacobs will be much benefitted by a stay at Vichy. We have been in town for a week amusing ourselves while the house was cleansing. Revere has been in Scotland fishing and is now working hard for his Christ Church examination, having passed the University Matriculation. I hope we are going to see you on the way back. I doubt if I can get away during the summer, but I am hoping to sail on the 7th of September.

We have had a most wonderful spring here - between three and four weeks of uninterrupted sunshine.

Love to Mrs. Jacobs,

Sincerely yours,

Wm. Osler.
