

From the Regius Professor of Medicine, To Sir John MacAlister.  
Oxford.

22 May, 1914.

Letter (Typewritten).

Dear MacAlister,

I enclose you a cheque for the balance of the Gorgas dinner  
£3. 8. 0. I had a very enthusiastic letter from Gorgas, who appreciated  
immensely all we did for him. What would we do without your guidance  
and management!

You will be glad to know that I feel very badly at not being able  
to carry out your wishes but you cannot have everything your way!

Sincerely yours,

Wm. Osler.
