(To M. le Prof. Dr. Chauffard, Paris)

June 4th, 1914.

Dear Chauffard,

I am greatly pleased to have been  
 honoured in this way <sup>by the Academy of Medicine</sup>. I had the notification  
 last evening & this morning your kind letter.  
 I appreciate it very much. I should  
 dearly like to come to Paris this summer  
 but unfortunately I have to go out to  
 Canada & the United States. We have  
 a big gathering at the Johns Hopkins Hospital  
 to commemorate of the 25<sup>th</sup> anniversary  
 of its opening.

My regards to M<sup>me</sup> Chauffard.  
 & again a thousand thanks for your  
 kind offices in this great honor.
