

COS-117/117, 150

(Handwriting)

(To Ambassador Walter H. Page)

13, Norham Gardens, Oxford

Monday June 22<sup>nd</sup> 1914

Dear Page,

We will go together to the Christ Church functions in the afternoon & evening. Founders Prayers are interesting as the one occasion in the year when Henry VIII gets his dues. The Vice Chancellor tells me that you will have to reply for the guests as the Duke of Saxe-Coburg will (probably) have to be toasted separately. The rule is only one response. If you wire time of your arrival tomorrow the car will meet you

Sincerely yours

W<sup>m</sup> Osler
