

(Dr. J. W. Wigmore - <sup>Balk</sup>~~Oxford~~)

22, August, 1914.

OXFORD

Dear Wigmore

Why were the biscuits called Bath Olivers? Did Oliver ever give a description of them; and, if so, where?

Sincerely yours,

WM OSLER

Has his original formula ever been published?

*From the note and that of the two Dr.  
Oliver of Bath he was in the  
product a biscuit*
