From Dr. Malloch's Journal.

Wednesday, Nov. 11, 1914.

The Oslers off early to Folkestone to inspect Queen's Canad. Hospital... Sir Wm. and Lady O. just caught 6.15 train from Paddington. Campbell Gwyn at Oxford. Revere in for dinner Now etches. . . this is a tremendously busy house, but Sir Wm. as calm as usual. Heaps of letters for him and Lady O. to answer, books more numerous than ever. Saw Laennec and Jenner on Case of Echinococcus cyst of kidney in room upstairs.

Hospital supported by Canadians. W.O. found \$20 a week

Lady Markham gave their house at
