

From Dr. Malloch's Journal.
Thursday, Nov. 19, 1914.

Some very interesting letters of Dr. Withering arrived. . . Sir Wm. says he does not much look forward to the next trip to America - he has to rush about so much.

On digitalis of few stems - got the story ^{of the case} from an old herb dealer - first patient fringe of Buscum??

Go to the Royal Soc of Med. at. List of papers to,
