

CUS417/118.135

From Dr. Malloch's Journal.

Monday, Nov. 23, 1914. ~~14~~

Sir Wm. made me guess what that tumour really was - he reproaches himself. <sup>ditto</sup>

\* Clinic at Rodcliffe a Poly cystic  
Kidney - published 1915 -

Did not feel the testis - a sarcoma in an undescended testicle. Megacystis of scrotum.  
Archie had been to Belfast.
