

13 Norham Gardens.

W.O. to J. George Adami.  
24 December 1914.

(typewritten)

Dear Adami,

I think the thing to do would be for Malone to apply directly to the English Red Cross, where, with letters from you and me, he would be sure to get work. It would be better in a way if he just came over 'on spec', so that they could see him. I will find out from Malloch, who comes back here to-day for Christmas, whether there is any chance with Mrs. Guest's hospital.

Sincerely yours,

Wm. Osler.

Love to you all for Xmas and the New Year.

No word yet about your unit. I will jog Keogh again soon.
