(To Leonard Mackall)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

25 January, 1915.

Dear L. L. M.:

I am so sorry not to have seen you on your way through.

Yes, I acknowledged the German pamphlet in a letter which I sent care of your sister, which I suppose you have not received. It is one of the best analyses of Browne's position and character that has appeared.

Do come and see us on your way back. I am very busy with a great many things, but you are always a good bibliographical tonic. I am trying to struggle to finish my incunabula paper. They re-elected me President of the Bibliographical Society for another two years. I got a great haul for the Hopkins the other day in the Hutchinson iconography. I hope you will go and see them at the library.

With kind regards,

Sincerely yours,

Wm Osler
