

(To Miss Emily MacDonnell)

From the Regius Professor of Medicine, Oxford.

8, April, 1915.

Dear Miss Macdonnell,

So glad to hear of you, though it is only through a daily paper. It is so nice to hear that everything is going well in Canada, and the amount of work that is done for the cause is greatly appreciated over here.

We are all well, and very busy, as you may suppose, but very thankful and hopeful that things have gone as well as they have.

With love to your sister.

Sincerely yours,

W Osler

P.S. Have you any duplicates of Dick's papers? I should like two or three for my library.
