(To Hon. Robert Bacon)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

14, April, 1915.

Dear Bacon:

I enclose the schedules from the War Office. As you see, it makes up a long total without the nurses. It would be very much better I should think to have people from this side from the quartermasters down.

Sincerely yours,

W^m Osler.

(Handwriting) Let me know what Cushing thinks.
