W.O. to J. George Adami.
11 May 1915.

(typewritten)

Dear Adami;

I wrote to Keogh suggesting that for the time at any rate all specimens should go to the College of Surgeons; then a committee of the Army Board could select suitable teaching specimens for Millbank. I urged him to send a memorandum to all the hospitals ordering the specimens to be sent to Lincolns Inn Fields.

Sincerely yours,

Wm. Osler.

J.G.A. Further re negotiations about establishment of a War Museum: I had written or talked with O. about impossibility of establishing the Museum at the Army Medical College, and advisability of employing the Hunterian Museum in Lincolns Inn Fields, - and its staff - for the purpose.
