FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

May 14, 1915.

Dear Fen:

I hope by this post you will have the copy of the Records, and I have sent to all on the list you gave. Edmund wishes all of the grandchildren to have copies, and I am sending, of course, to Harry, Fanny, Emma and Ernest. I have sent also to Mrs. Rule, Mrs. Bucke, and Mr. Ensign. It makes really a very nice record for the children, and the reproductions are very good.

Campbell escaped with a slight wound, and Grace has gone to Torquay to see him. We hope to have him transferred here.

Let me know if there are any others to whom you would like copies sent. There may be one or two special friends. There will be plenty of copies available.

Love to the family.

Affectionately,

W<sup>m</sup> Osler
