Dear Packard,

Glad to see such a good programme for the Library Association Meeting at Atlantic City. Give my greetings please to the members.

I have had most appreciative letters from the libraries and the men to whom I sent the half-dozen copies of your edition of the 'Gold Headed Cane'. Rolleston was particularly delighted. The 'get-up' is a great credit to the publisher.

Ask Dr. Bulette to send me a copy of his paper when it is printed, as that is a subject which has always been of great interest.

If you ever see Fred's widow give her my love please.

Sincerely yours,

Wm Osler
