

P.C. (Script).

Oxford.
Saturday.
(31st. July) 15.

I saw Shipley yesterday and he is anxious that you should come over to Cambridge and stay with him you can do this later. A note to the Editor of "Notes and Queries" London would bring out Baines data, Shipley is anxious that you should publish a paper in the College Journal on the heavenly twins.

Greetings to Mrs. Guest. We have the house full this week end.
