To Sir John MacAlister.

13, Norham Gardens,
Oxford.

Letter Script.

21st. [Ox? 1915]

Dear MacAlister,

I saw Garrod today. Failing Dawson I will open but D. is the man
and he should be asked. I have written to Box. It is a most
urgent problem.

Yours,

W. Osler.

I will ask tomorrow
at the Army Med. College
of any man there who knows Para. Typ.
