To Sir John MacAlister.

Letter (Script).

Dear MacAlister,

*W^m 21
Abne note 3
1914*

Sunday.

Thanks for the note and for the Frankenstein memo, which had already occurred to me. I have the books, but did not look whether he had named the monster.

That was a fine collection of men on ~~Friday~~ ^{Friday the 19th}. We should have more specific war meetings.

- 1) Discussion on Para Typhoid fever.
- 2) The War Nephritis.
- 3) Trench Fever.
- 4) The Dardenalles Diarrhoea.
- 5) The Soldier's Heart.

Are among the medical subjects which need discussion.

Sincerely yours,

Wm. Osler.
