Dr. C. P. Howard

Dear Campbell:-

I have written to Peterson and asked him, if he thinks necessary, to send the letter on to Sam Hughes. I have also put the Clin. Med. question at Montreal before him in plain terms.

I wish you could have been here for Muriel's birthday. She is such a darling. Oillie is all right again.

It was so nice to see you. *Love* to the Camp - so sorry to hear that Yates is ill. I hope you will move soon. I felt sure th<sup>a</sup>t was an impossible *Love* for winter.

Affectionately yours,

Wm. Osler.
