

(Letter to Edward Milburn, Esq.)
(handwriting)

10th(Dec.'15)

13, NORHAM GARDENS,
OXFORD

Dear Ned

Please hand the enclosed to Mrs. Milburn to spend in the family for Xmas I hope you ~~you~~ are all well & will have a happy gathering. It will be a sad Xmas in many families. Many of my friends here have lost their boys; it is a terrible tragedy. Revere is joining the Field ambulance as he is tired of the inaction in the hospital life. He has been near Boulogne for 7 months with the McGill men. I am very busy in hospital work & all sorts of odds & ends to do I send you a couple of addresses which may be of interest. The country is full of Canadians - a fine lot too
Love to you all

Yours ever.
