

From Dr. Malloch's Journal.

Saturday, Jan. 15, 1916.

6115 to Oxford. Too bad Norman Moore not elected President. Sir Wm's, Rolleston's, and Sir Clifford Allbutt's votes would have done it, but they were not able to be present. Dr. Moore did not mention this to me yesterday. W.O. says that as Moore is an R.C. that may have had something to do with it. Sir Wm. and "Ladies' Home Journal", and Sir Wm. talked to Capt. Kenny and me about old cases.
