(Dr. W. S. Thayer)

18th (Jan. 16)

Dear W.S.

Sorry to hear that Sister Susan continues poorly I hope her wonderful recuperative powers will win out. My love to her. Is anything being done in U.S. about the C_____ memorial? I enclose you a copy of the circular. Why not have it translated and you make an appeal in the Jr of the Am.Med.Assoc. I am doing this in the Lancet. He did a great work
Very busy with one thing & another:- 10 Para A's yesterday at Clevedon, 31 with jaundice Enroute to Liverpool to see our old friend W. Johnston

Yours ever
Wm Osler
